

Investing for Success

**Under this agreement for 2017
Texas P-10 State School will receive**

\$110,060*

This funding will be used to

Achieve:

- A minimum whole-school attendance rate of 93%.
- An increase in attendance for 90% of students who had an attendance of below 90% for 2016.
- 100% of Teachers utilising data walls to track student progress and implement improvement strategies.
- A minimum of 95 % total agreement from parents and students on all School Opinion Survey questions relating to learning expectations, progress and feedback.
- At least 10% increase in achievement of Reading benchmarks for all Year levels.
- 100% of students in Years 5, 7, 9 either decreasing (for students below national mean) or increasing (for students above national mean) their 'mean gap' in Reading.

Our initiatives include

- Review and refine the Responsible Behaviour Plan for Students (inclusive of attendance).
- Develop a shared understanding of 'Data Literacy' and support staff to effectively use data.
- Review and refine the Learning and Wellbeing Framework.
- Develop a whole school approach to teaching Literacy.
- Implement Literacy blocks (inclusive of independent Reading) in Prep – Year 6.
- Revise and refine the school pedagogical framework and embed it as the shared language for learning.

Our school will improve student outcomes by
